

Jamundi, December, 2020

Dear friend and brother in Christ.

This letter has the purpose of communicating you that the Lord is opening a great opportunity for us, by giving us the chance of acquiring permanent location, something for which we have been praying for many years now. Currently, we use the space where we celebrate our services; and over the past few years we have done small adjustments to make it more comfortable for our congregation. This past October, our landlord communicated that he wants to sell the property and we have been given us to make an offer for the location until April 2021.

However, if we don't reach an agreement that time. He will put the property in the market and we would be forced to move our church. We see this challenge as an opportunity, because the property has enough space for all of our ministries, and the location is very convenient to access for all our members. In addition to that, the sale price we have been asked is about 50% below its current market value.

If this letter has reached your hands, it is because you have been a witness at a certain moment of what God has been doing for the last 12 years of our ministry, and I want to share this opportunity, so that you can join us in taking a leap of FAITH, and contribute with God's work in Jamundi.

With this in mind, I want to share with you the words of God that serve as the foundation of our ministry: 1 Kings 6:12-13 "Concerning this house that you are building, if you will walk in my statutes and obey my rules and keep all my commandments and walk in them, then I will establish my word with you, which I spoke to David your father. And I will dwell among the children of Israel and will not forsake my people Israel."
